

SEVROLLBOX SLIM

Drawers

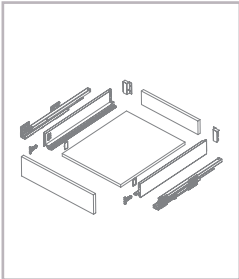

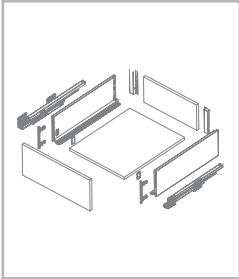

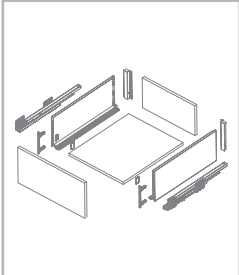

SEVROLLBOX SLIM drawers have the following advantages:

- adjustable from inside the drawer vertically and horizontally
- up to 40 kg load limit
- 3 different heights of drawer sides in two colours: white and gray
- easy to install due to sturdy single piece rectangular sides
- available guide lengths 270/300/350/400/450/500/550 mm
- no separate mechanism is required, everything is integrated in the guide
- soft and quiet close

Sevroll drawers are reliable and modern

SEVROLLBOX SLIM is an innovative system for the installation of drawers. Its design, look and colour range allow you to create a modern drawer. The 3 heights of drawer sides: 84 mm, 167 mm and 199 mm have a perfect rectangular shape, taking up less space inside the drawer. Silent and fully extendable soft-close guides are comfortable to use and offer unlimited access to the drawer. The two-way adjustable drawer allows perfectly aligned fronts. Drawer front adjustment is made from inside the drawer, making it easy to adjust and easy to remove. The bottom of the drawer is designed for 16 mm board that needs no routing.

PRODUCT	DESCRIPTION	CODE	COLOUR	LENGTH (mm)
	SEVROLLBOX SLIM 84 mm height	222892 / 222913	WHITE/GREY	270
